

## Font sets

---

How to switch the font set for your site

### The font set panel

Click the **font set icon (1)** to open the **font set panel (2)**. Click any font set on the list to change the font set.

### Editing a font style

Font sets give you a quick way to change all the fonts across your site. If you want to have more control, you can create and edit type styles directly using the styles editor.
